Dear Friends,

May I take this opportunity to welcome you to 3<sup>rd</sup> British Open and to the host City of Glasgow.

The event, which has been sanctioned by the WKF, will be in partnership with Unicef in an effort to increase awareness and raise funds for the world's needy children.

The aim of the Unicef-BKF partnership is to provide educational resources for many of these children and we would be delighted if you could support us in this very worthwhile cause.

This year we welcome "Sports Data" as a sponsor of our event. This will allow ease of registration with a simple online process which is now being used at major championships throughout the world.

I look forward to seeing you all in Glasgow, in the meantime I would encourage you all to visit [www.seeglasgow.com](http://www.seeglasgow.com).
