## WELCOME / INTRODUCTION

Dear guests, dear athletes from around the world, dear friends,

welcome to the first Karate1 Premier League Tournament in Germany. You probably already know our International Championships, that were very popular as the number of participants have shown. This new series of competitions by the World Karate Federation aims at increasing the international standard. The German Karate Federation wants to contribute.

On the verge of the World Championships in Paris in November, the National Coaches intend to test their athletes and their performance.

We hope, that in addition to the athletic challenge you will find some time to explore the city of Frankfurt and its surrounding area and that you will have a pleasant stay in Germany.

We wish all the participants successful results and a good tournament without any injuries.

The members of the National Federations of the WKF are always welcome guests here in Germany.

Especially, we are very much looking forward to your visit to the World Championships 2014 in Germany / Bremen.

Kind regards,  
GERMAN KARATE FEDERATION

Roland Hantzsche  
President
