Rabat, modern and imperial city, proud of its ancient history is resolutely turned towards the future. With sports facilities foreground, Rabat has always excelled in major national and international sporting events, in particular those organized by the Moroccan Royal Federation of Karate & Associated Disciplines (FRMK & DA).

It is an honor for me and for the whole Moroccan family of Karate to organize the 9th edition of the Mohammed VI Karate Cup under the patronage of His Majesty the King Mohammed VI may God assists. Our sovereign has always attached importance to sport in general and in particular the karate by monitoring and making available the athletes, the necessary infrastructures and adequate conditions for their progress and to illustrate the worldwide.

FRMK & the DA, strong by her team and his high dynamism, was able to win the confidence of the World Federation WKF who entrusted the organization of the 9th World Junior Championships. Forthcoming Morocco aspires to host the World Championship seniors.

The FRMK & DA is committed to develop the practice of karate in the Kingdom. In terms of infrastructures, the FRMK & DA launched a major project to build a National Center of Karate. It will create a permanent school for youth training as coaches and judges, and host teams for concentration in good conditions. An effort has also been made for the expansion of the base of practitioners. We set out more than 31,000 licensed.
