CHAMPIONSHIPS  
KARATE • CANADA

Dear members of the Karate Canada family,

Welcome to the 2014 Karate Canada National Championships here in beautiful British Columbia. Karate BC and the Province of British Columbia are honored to be co-hosting this prestigious event with Karate Canada, and we look forward to seeing you in action.

As many of you found in 2012, the City of Richmond is a safe and convenient location for the three days of competition, and the Richmond Olympic Oval is an awesome venue.

Karate tournaments provide a means to demonstrate your skills and achievements and the athletes and their coaches who are spending considerable time and effort in preparing for this level of competition deserve a big thank you.

My sincerest gratitude to everyone who is working to make this event a success and to the officials who dedicate so much of their time to ensure the continued growth of karate-do. This event would not be possible without your support.

I wish you all a safe competition and the best of luck.

In harmony,

A handwritten signature in black ink, appearing to read "C. La Vertu".

Charles La Vertu  
President  
Karate BC

Dear Friends in Karate,

I am delighted to invite you to the 39th Karate Canada National Championships, which will be held in the city of Richmond, BC from January 17th to 19th, 2014.

In addition of being the traditional yearly rendez-vous of hundreds of athletes and coaches from across the nation, allowing them to compete together, and to embody the values of sports excellence, friendship and respect which are at the very heart of Canadian karate-do, the 2014 edition marks the kick off of a cycle that will run through to 2017, including 4 National Championships and 2 North American cups (2014 and 2017) in total, all to be held at the Richmond Olympic Oval. This 4 years cycle is part of an Event Hosting Plan that will allow Karate Canada to bring domestic events to the next level. We have already made much progress in this sphere, these last few years, as was recently reflected in the highly successful organization of the 2013 Commonwealth Championships, and we want to maintain this momentum at every level!

I warmly welcome all athletes to take part in these next "Nationals". I thank you for devoting so much time and effort in your preparation for this important event. I also wish to express my heartfelt gratitude to Karate BC and all those who have been working dedicatedly to ensure the event's success, as well as to all the referees and officials who generously volunteer their time for the continued progress of karate-do. These Championships could not occur without your precious support.

To each and every one of you, I wish you a safe competition... and the very best of luck!

A blue ink handwritten signature, appearing to be "R. Khoury", written in a cursive style.

## COMPETITOR ELIGIBILITY GUIDELINES

All participants must be members in good standing of their provincial or territorial karate Associations and Teams, and participants may only be pre-registered online through their PSO or TSO's Team Manager or designated representative.

All participating athletes must also be Canadian Citizens or permanent residents (landed immigrants). Participating athletes must bring proof of citizenship (current valid Canadian passport or birth certificate) or permanent resident status (official permanent resident card) with them, and may be asked to provide such proof upon request.

### **KUMITE:**

#### **MAXIMUM NUMBER OF ENTRANTS PER KUMITE DIVISION:**

Each province/territory is permitted to send a maximum of two competitors per individual division, excluding the returning champion (gold medalist from the 2013 National Championships, as long as they register to compete in the same division – full results are available on the Karate Canada website) of each division and all international status holding athletes (in all divisions, when applicable – see full list of current international status-holding athletes in Annex 2). Additionally, each province / territory may register extra athletes in either kata or kumite according to their Wildcard allocation (see APPENDIX 7).

Additionally, Karate Canada will register its Senior National Team kumite athletes (who have accepted to compete on behalf of Karate Canada at this event) in their respective kumite divisions.

### **TEAM KUMITE:**

Each province/territory is permitted to send a maximum of one (1) senior team in the Team Kumite division.

Additionally, Karate Canada will select and register one male and one female teams for participation in Team Kumite at the 2014 National Championships. Team Canada kumite athletes at this event who will not be selected to compete for Canada in Team Kumite will be given the chance to compete for their home province in Team Kumite, if their Provincial Association wishes to select them for participation in this event.

As a new feature this year, Karate Canada will also accept registration and participation of “Regional Teams” in Team Kumite, on top of the provincial and national teams. This will allow for grouping and gathering of athletes from neighboring provinces for participation in Team Kumite as Regional Teams. The breakdown of eligible regions will be as follows:

➤ **Atlantic Provinces (1 Team):**

Can be made up of athletes from Newfoundland / Labrador, Nova Scotia, Prince Edward Island and New Brunswick

➤ **Western / Central Canada (1 Team):**

Can be made up of athletes from British Columbia, Alberta, Saskatchewan and Manitoba

**Note:** More information will be provided shortly with regards to the process and guidelines for Regional Team selection and registration.

As Ontario and Quebec historically bring larger pools of athletes to National Championships, they do not seem to need to gather with any other provinces to assemble their kumite teams at this time.

(Every Province may of course continue to register kumite teams made up simply of its own athletes if it chooses to, on top or instead of Regional Teams.)

Senior National Team kumite athletes who will not have been selected to compete for Team Canada or their home province in Team Kumite may join any of these 2 Regional Teams, if invited by these team's Coaches, even if they are not residents of the provinces making up either of these two regions.

## **KATA:**

### ***Cadet/Junior Team Kata Division:***

Cadet and Junior Team Kata competition will be merged into one age division for 14- 17 year olds (male and female competitors remain in separate divisions).

Within this division, provinces may send a maximum of one male and one female team.

### ***Under 21 (U21) Divisions:***

Athletes aged 18, 19 and 20 years old may compete in individual events in both U21 as well as team senior divisions.

## **MAXIMUM NUMBER OF ENTRANTS PER KATA DIVISION:**

### ***INDIVIDUAL KATA DIVISIONS:***

Each province/territory is permitted to send a maximum of three (3) competitors per individual kata division, excluding the returning champion (gold medalist at the 2013 National Championships, as long as they register to compete in the same division – full results are available on the Karate Canada website) of each division and all international status-holding athletes (in all divisions, when applicable – see full list of current international status-holding athletes in APPENDIX 2).

Karate Canada will also register its Senior National Team Kata athletes (who have accepted to compete on behalf of Karate Canada at this event) in their respective Kata divisions.

Additionally, each province / territory may register extra athletes in either kata or kumite according to their wildcard allocation (see Annex 7).

***TEAM KATA DIVISIONS:***

Each province/territory is permitted to send a maximum of one (1) team kata per age division (Combined Cadet/Junior and Senior).

**IMPORTANT:** 2014-2015 membership fees from each provincial / territorial association must have been paid in full prior to the start of competition, in order for individual participant registrations of athletes and coaches from that province to be considered valid.

Please note that all participating athletes must be Canadian Citizens or permanent residents (landed immigrants). Participating athletes must bring proof of citizenship (current valid Canadian passport or birth certificate) or permanent resident status (official permanent resident card) with them, and may be asked to provide such proof upon request.

## AGE ELIGIBILITY

Please note the following information pertaining to age eligibility of participants in the 2014 Karate Canada National Championships (January 17-19, Vancouver BC):

### **KUMITE:**

Athletes aged 18, 19 and 20 years old may compete in individual U21 as well as Senior individual and Senior team divisions.

Please note that Cadet (14-15 year old), Junior (16-17 year old) and U21 (18-20 year old) athletes may compete in the age category for which they will be eligible at the time of the 2014 National Championships (as of January 17, 2014), and may ALSO register to compete in an older age category provided they reach the minimum age of this category within the year following the start of the 2014 National Championships.

Juniors must be aware that unless they have reached the minimum age of a given category before the start of Junior-Cadet Cadet Pan American Championships (August 2014, exact date to be confirmed), they may NOT represent Canada in this category at these Championships. Likewise, should they be too old to represent Canada at these Championships in the age category in which they have been selected at the 2014 National Championships, Karate Canada may consider athletes ranked lower at the 2014 National Championships in order to participate in this international event as National Team alternates.

>>> This is illustrated in the adjusted APPENDIX 5

### **KATA:**

Athletes aged 18, 19 and 20 years old may compete in individual U21 as well as Senior individual and Senior team divisions (see APPENDIX 5).

Please note that Cadet (14-15 year old), Junior (16-17 year old) and U21 (18-20 year old) athletes may compete in the age category for which they will be eligible at the time of the 2014 National Championships (as of January 17, 2014), and may ALSO register to compete in an older age category provided they reach the minimum age of the category within the year following the start of the 2014 National Championships.

Juniors must be aware that unless they have reached the minimum age of a given category before the start of Junior-Cadet Cadet Pan American Championships (August 2014, exact date to be confirmed), they may NOT represent Canada in this category at these Championships. Likewise, should they be too old to represent Canada at this international event in the age category in which they have been selected at the 2014 National Championships, Karate Canada may consider athletes ranked lower at the 2014 National Championships in order to participate in these international events as National Team alternates.

(AN EXTRA NOTE ABOUT KATA: Please note that the minimum age for U21 kata at international events is 18. The minimum age for Senior individual and Senior team kata at international events is 16. So it is possible that an athlete qualifies for Senior kata, but not for U21 kata.)

>>> This is illustrated in the adjusted ANNEX 5

**IMPORTANT:** Please note that a **DOUBLE ELIMINATION** format will be used in all individual kumite categories for this event (see Appendix 3 for an example of this type of draw), thus ensuring that each participant gets to participate in at least 2 matches (unless disqualified in a fashion which would prevent further bouts). As a result, there will be no repechage tree and only one bronze medal per division will be awarded in all individual kumite divisions.

Karate Canada will be implementing version 8.0 the WKF Kata Competition Rules (available in the "Documents" tab of the Karate Canada website).

### **SEEDING:**

All international status-holding athletes as well as gold and silver medalists from the 2013 National Championships (if competing in the same category in the 2014 National Championships) will be seeded in the draw.

- 4- 2013 National Championship gold medalist in that category
- 5- 2013 National championship silver medalist in that category

(\*\*=If more than one athlete holds an identical international status on January 16<sup>th</sup>, 2014, the athletes with the highest number of ranking points will be seeded higher than athletes holding an identical status but holding less ranking points. If two athletes have the same status and exact same number of points, they will be seeded at random, higher than athletes with less points and lower than athletes with more points or higher statuses.)

## MANDATORY EQUIPMENT

### KUMITE:

## APPENDIX 7

### **“WILDCARD” SYSTEM FOR PROVINCIAL / TERRITORIAL TEAMS AT THE 2014 KARATE CANADA NATIONAL CHAMPIONSHIPS**

Please note Karate Canada’s member Provinces / Territories will once again receive an allocation of wildcards directly related to the size of the teams which they register for the event.

This “Wildcard” system helps address several potential issues, such as teams from provinces with larger populations which may have three or four of the nation’s top performers in one division, for instance. It will also allow top performing athletes who move from one province / territory to another mid-selection process, or top performing athletes who were forced to miss crucial provincial / territorial selection events due to injury or due to the demands of the international calendar, to have an avenue for entry into the National Championships that may otherwise have been closed to them.

This in no way affects the selection process that PSOs / TSOs have adopted for the selection of their teams leading up to the 2014 National Championships, as it is simply an additional option which offers more flexibility to the provinces / territories, as well as the opportunity to register additional athletes whom these PSOs / TSOs feel could be strong contenders at National Championships and / or may largely benefit from participation in this event.

#### **ALLOCATION RATIOS:**

Wildcard allocations will be as follows:

<b>Team Size</b>	<25 athletes	25-50 athletes	51-75 athletes	76-100 athletes	>100 athletes
<b>Wildcards</b>	2 entries	3 entries	4 entries	5 entries	6 entries

#### **ELIGIBILITY CRITERIA:**

Selection of athletes to be registered at National Championships through the “Wildcard” system will be left to the discretion of each PSO / TSO; however all PSOs / TSOs will be expected to abide by the following minimum requirements for the registration of “wildcarded” athletes.

In order to register one or several athlete(s) in the 2014 National Championships as (a) “wildcard(s)”, a PSO / TSO must submit the name(s) and division (category) of the athlete(s) (up to the maximum number of athletes allowed, as per the team’s quota allocation above – one entry counts as one ‘wildcard”) to Karate Canada (by mail or email) no later than December 15<sup>h</sup>, 2013, along with a written confirmation that each of these athletes meets **at least one of the following 3 criteria:**

-the athlete has placed 3rd in the final rankings of the 2013-2014 provincial / territorial team selections in that individual kumite division (excluding 2013 National Champions and / or athletes competing for Team Canada at the 2014 National Championships). Or the athlete has placed 4th in the final rankings of the 2013-2014 provincial / territorial team selections in that individual kata division (excluding 2013 National Champions and / or athletes competing for Team Canada at the 2014 National Championships),

**OR**

-the athlete has placed 4th in the final rankings of the 2013-2014 provincial / territorial team selections in that individual kumite division (excluding 2013 National Champions and / or athletes competing for Team Canada at the 2014 National Championships), and the 3rd place athlete in the same division has previously been offered the wild card and has declined it. Or the athlete has placed 5th in the final rankings of the 2013-2014 provincial / territorial team selections in that individual kata division (excluding 2013 National Champions and / or athletes competing for Team Canada at the 2014 National Championships), and the 4<sup>th</sup> place athlete in the same division has previously been offered the wild card and has declined it;

**OR**

-the athlete was a medalist in the same division at the 2013 National Championships.

Athletes who are members in good standing with their PSO / TSO, who meet at least one of the three criteria listed above and whose names are submitted to Karate Canada by the appropriate PSO / TSO authority (President, Executive Director or Team Head Coach) **no later than December 15<sup>th</sup>, 2013** will be eligible to compete at the 2014 National Championships. Karate Canada will review all submitted wildcard nominations and will confirm approval of these nominations no later **than December 17<sup>th</sup>, 2013**. Please note that the PSOs / TSOs must also register approved wildcards online via SportData by the **December 20<sup>th</sup>, 2013 deadline**.

# TRAVEL COST SHARE INFORMATION

### Modification / deviations

Uniglobe, the official travel agency selected to manage the Travel Cost Share program on behalf of Karate Canada, has entered into an agreement with Air Canada and with WestJet to reserve seats based on the lists the PSO/TSO and Karate Canada provided in September. This has allowed us to secure the appropriate number of seats based on travel preferences.

Karate Canada and the PSO/TSO reserve the right to refuse modification or deviation requests to the original list provided should these requests increase the airfare substantially, in order to alleviate any risk of significant increase to the cost share amount to be assumed by each participant.

In such case where KC or the PSO/TSO refuses the change or deviation request, the participant may still request that change by assuming personally any additional cost.

### Companions

With regards to the companions, requests for travel must be submitted directly to the respective PSOs / TSOs, who must in turn submit the information directly to Uniglobe.

As indicated before, companions are not included in the travel cost share program, and costs for their travel will be the actual cost of the ticket plus a booking fee of 27 \$.
