Dear friends,

May I take this opportunity to invite you to the international Funakoshi Cup kata tournament in the city of Alkmaar, The Netherlands.

Last year almost 500 karateka's participated in this event. The unique concept of the Funakoshi Cup is that all participants are separated in categories according to their age and belt. There is a special category for high level competitors as well as categories for children, cadets, seniors and 35+ years, all divided in ages and belts.

For each competitor there will be a repechage and besides trophies for the winners we will have medals for each participant.

Karateclub Funakoshi is organising the Funakoshi Cup with grateful assistance from the Dutch Karate Federation and the city of Alkmaar.
