United World Karate - 1st World Championships

Welcome

Dear Friends:

It is with great anticipation and excitement that we prepare for your arrival and participation in one of the most historic moments in Karate history – the 1st United World Karate Championships.

These Championships will take place in Koper, Slovenia, October 12 – 18, 2015. For the first time, the World Championships for Karate will include competition for Traditional Karate, General Karate and Contact Karate.

This will be a true celebration of our beautiful martial art of karate by presenting on the world stage the diversity of our art in all of its splendour. Not since 1968, when the first world level competition was held in Los Angeles, California has there been such a unique moment in as there will be at this Championship.

It is our hope that these World Championships will be a catalyst for the future of Karate development world-wide, where differences are set aside and our diversity supported, promoted and enjoyed for the benefit of everyone who loves Karate. The competition platform and format of UWK will bring together Karate practitioners from diverse backgrounds in the spirit of unity and with a united will to move our respective approaches to Karate Sport forward – collectively.

This moment is so unique that to miss it will be missing the personal opportunity to participate in making history for Karate. I look forward to welcoming each of you to this venue where we are "United As One!"

Sincerely,
Richard Jorgensen, President United World Karate

United World Karate - 1st World Championships

Dear players, organizers and all karate lovers,

It is our great honor to host the first United World Karate World Championship in our city. I would like to extend you a warm welcome and wish you a pleasant stay in the City Municipality of Koper. We are happy to be given an opportunity to support one of the largest sport events with mass participation, since we are well aware of the importance of sports. It goes far beyond just running after a ball, hurdling or swimming; it is an invisible part of our lives that pervades nearly every aspect of our everyday living: it is simply a lifestyle.

I am convinced that this event is another opportunity for our beautiful Koper to present its many tourist attractions, culinary delights, rich cultural and architectural heritage, and, of course, its modern sports infrastructure to the world.

The City Municipality of Koper has been trying to develop into an important sports and cultural centre. That is why we put big effort and funding in the provision of sport facilities and in the promotion of sports, which makes it possible to organize such an important event as it is the United World Karate World Championship.

I am convinced you are all well aware that there are no victories without sweat, no achievements without hard work, no medals without failure. The road to success is paved with persistence, so may persistence, courage and vitality stay with you in the next few days and bring you new victories and achievements. Good luck!

Boris Popovič, Mayor of the City Municipality of Koper

United World Karate - 1st World Championships

KOPER - SLOVENIA

Situated at a latitude of 45 degrees 32,5' North and at longitude 13 o 45,5' East, with a characteristic Mediterranean climate partly influenced by the continental interior.

This is Koper with its mild winters and warm and dry summers. Is there anything more pleasant than standing on the seaside, embraced by a soft north-west breeze, admiring the scarlet sky on a day when the sirocco blows or watching the sea in its wild dance of waves stirred by the northern wild?

The climax of the summer in Koper - the Yellow night with the largest and longest lasting fireworks, with the greatest number of events taking place in the open air, a family holiday, a real national festivity. Let yourself go to the rhythm of the summer, enjoy the theatre performances taking place within the ancient city walls, and in winter drink a toast to the coming New Year and to all the years to come.

Enjoy the local handicrafts, taste the typical local dishes like the jota (a soup with pickled cabbage), the bobiči (corn soup), polenta (corn porridge), cod, the fish soup, fish specialities and the typical local wines.

The valley of the castles, with the castle of Socerbo as the first one, extends below the edge of the Karst as a limes, a fortified border that once separated the territory of the Venetian Republic from the Austrian region.

The path takes us then through Hrastovlje with the ancient frescoes and the world - famous Dance Macabre to the tower in Hrvoje, which marks the highest point in Istria. There the sight touches the horizon. Excursionists, riders and cyclists can discover the hidden beauties of the waterfalls, the rapids and pools of the Dragorija river - an oasis with crystal clear water.

More information on KOPER, SLOVENIA: www.koper.si

United World Karate - 1st World Championships

The Sport Hall: ARENA BONIFIKA

The stadium is located in a quiet, nevertheless very strategic area: the intersection of two important axis, the first is a road connecting the town's historical centre and the new residential areas, the second is the path between the seaside promenade of Koper and a public park with many playgrounds, boarded by an artificial stream. On the neighbouring plot is a new Olympic swimming pool centre.

The new building being visible from the sea as well as from the road to the centre, the proposition had to be a signal, without being a disturbance in a rather flat landscape.

As a consequence, the proposition is visually very simple, a wide cylinder, elevated above the public space, the entrance being a continuity of the surrounding park.

Venue Arena Bonifika info:

39 (width) x 50 m (length) - parquet area (wall to wall) 1950 m²

Online Registration and Management of the Event (made by RISE)

Logging in

Please use the username and password that you received from UWK:

<https://riseid.rise-world.com/uwk>

You will then find yourself on the welcome page, which provides an overview of the system and some quick links to get you going. If you did not get your username and password yet, please contact us:

support@riseid.rise-world.com

Where do I start?

When you click on "Members" you will see all the athletes that you have already registered for previous UWK championships. You can also add new members here, as described below. Any competitors, referees, coaches or officials that you would like to register for a tournament need to be added to the system.

How do I register members for a championship?

When you click on the menu option "Championships" you will see a list of relevant championships. By selecting one of the championships you can register athletes, coaches, referees and officials for this competition. For registration, select an event from the list and click "Registration" to the left and then click hover your mouse over competitor, coach, referee or official. There you can click "Add individual entry" to register a competitor. To register a coach, referee or an official, click "Register new coach/official/referee", depending on which category of member you want to register. When registering members for a championship, you can select participants from a list of all the members that you have entered in the system. So any participants at a championship, be they athletes, coaches, referees or officials, must first be present in the members list. Please also note that as soon you have all your delegation members registered for one event, you have to select one registered person to be marked as the "Head of Delegation".

How do I add a new member?

Select the menu option "Members". On the top right is a button "Add New Member", which you can click to add a new member. It is important to give a member a role. A role can be selected by clicking on the tabs offered (athlete, coach, referee, official) and ticking the checkbox to indicate their role. You can see the member's role in the members list. If you want to change any information about a member, using the member list you can click on their name and then select "Edit" in the top right-hand corner.
