WELCOMING

EUROPEAN KARATE FEDERATION PRESIDENT WELCOMING

We all wait with great expectation the celebration of these 51st European Senior Championships 2016 in Montpellier. The whole European family feels encouraged to come back to France to enjoy all together the top European Karate annual event.

I also want to take this opportunity to recognize the work developed by the French Karate Federation during so many years. It has been always an active and loyal member from the European and from the World Karate Federation and it has always made things easy inside a positive atmosphere of support and collaboration. With members like the French Karate Federation it is easy to understand the outstanding progress experienced by the EKF along the years.

The allocation of this big Karate event to France, to Montpellier, is therefore something well deserved by the French Karate Federation and I can say, without any doubt, that these 51st European Senior Championships are going to be a new success of our sport in the Continent, a new success of the EKF thanks to the inestimable contribution of the French Karate Federation.

Antonio Espinos
President of the EKF
