Terry Connell
BKF President

Dear Friends,

After three consecutive years in Glasgow, may I take this opportunity to welcome you to the British International Open Championships, and to the host city of Sheffield.

The EKF competitors, coaches, and travelling families have shown great loyalty over these past few years in making the journey north at considerable expense. With the Emirates under threat of being reserved for the European Referendum in 2016 we felt it was time to show our gratitude to the support of England, and indeed Wales and Northern Ireland, and centralise the event in 2016.

In June 2015 the European Karate Federation had 38 member nations participating in the inaugural European Games in Baku, Azerbaijan. These games had the patronage of the European Olympic Committee and it was the first time karate had been invited to participate in an Olympic environment. The games went fantastically well from our perspective, and the news that the IOC will consider our application for participation in the Tokyo Olympic Games 2020 in Rio this August should prepare us for full Olympic integration.

It is vitally important that all country members support the WKF President, Mr Antonio Espinos, and recognise the need to lobby their National Olympic Committees for the inclusion of Karate In Tokyo 2020. In this, the most important year in the long and proud history of our sport we must push for a positive result in Rio and leave an Olympic legacy for future generations.

IMPORTANT NOTES

Photography and Recording

The BKF plan to engage a photographer who will take action/podium shots of the competitors. Photographs will be taken at the event for promotional purposes, however should anyone have a concern please contact the event organiser prior to the event.

IMPORTANT NOTES FOR COACHES:

Only NGB accredited coaches are permitted in the tatami area.

Following a BKF Refereeing Commission meeting it was decided that anyone wishing to coach at the tatami during a BKF event would have to have NGB accreditation to prove they were aware of the required rules, responsibilities and expected conduct. **Without this accreditation a coach pass will not be issued by the event organiser.** All coaches must register via Sportdata.

Coach: Dress code:

Coaches must be in association tracksuits and clearly display their coaching ID badge. Inappropriate dress, as deemed by the chief referee, will be refused access to the competition area. Only coaches adhering to the correct dress code and in possession of a coaching pass will be allowed on the competition area.

We fully intend to have Repechage for CADETS, JUNIORS and SENIORS Individual Kumite and Kata.

However the chief referee has the authority to withdraw repechage if the time frame becomes critical. *Competitors can only compete in their own categories and cannot move up to compete in another category. In the unlikely event of low category entries the organisers reserve the right to amalgamate categories.*

Insurance: It is the responsibility of each individual, or parent / guardian of a competitor if under 18 years of age, to have their own insurance cover for the event. Please advise your competitors accordingly regarding insurance cover. It is the responsibility of the clubs/coaches to ensure that all competitors are aware of this and have been advised of adequate cover. Association/club parental consent to compete is also required. This is the responsibility of the association.

Disclaimer: Karate is a martial art and contact sport. People can and do get injured and we cannot accept responsibility for any such injury, loss or accident arising from your participation in our training, competitions or associated activities and ask that you are aware, agree and accept this by entering or giving permission to enter this event.
