- b) For “Kids” and “Cadets” categories, contestants may repeat the same Kata.
- c) The Kata must be performed with competence, and must demonstrate a clear understanding of the traditional principles it contains. In assessing the performance of a contestant the Judges will look for:
 - A realistic demonstration of the Kata meaning.
 - Good timing, rhythm, speed, balance, and focus of power (KIME).
 - Correct and proper use of breathing as an aid to KIME.
 - Correct focus of attention (CHAKUGAN) and concentration (YOI).
 - Correct stances (DACHI) with proper tension in the legs, and feet flat on the floor.
 - Proper tension in the abdomen (HARA) and no ups and downs of the hips when moving.
 - Correct form (KIHON) of the style being demonstrated.
- d) A contestant who comes to a halt during the performance of the Kata, or who performs a Kata different than the one he announced will be disqualified.
- e) A contestant who performs an ineligible Kata will be disqualified.
- f) In Team Kata, Bunkai will not be mandatory during bouts for medals.

2. Operation of Matches:

1. At the start of each bout and in answer to their names, the two contestants, one wearing a red belt (**AKA**), and the other wearing a blue belt (**AO**), will line up at the match area perimeter facing the Kata Judge. Following a bow to the Judging Panel, and a bow between the 2 competitors, **AO** will then step back out of the Match Area. After moving to the starting position and a clear announcement of the name of the Kata that is to be performed, **AKA** will begin by himself, without the need of any command from the Judges. On completion of the Kata, **AKA** will leave the area to await the performance of **AO**. After **AO**'s Kata has been completed both will return to the match area perimeter and await the decision (by flags) from the Panel.
2. If a contestant is disqualified the Chief Judge will cross and uncross the flags (as in the Kumite TORIMASEN signal).
3. After completion of both Kata, the contestants will stand side by side on the perimeter. The Chief Judge will call for a decision (HANTEI) and blow a two-tone blast on the whistle whereupon the Judges will cast their votes.

- The decision will be for **AKA** or **AO**. No ties are permitted. The competitor who receives the majority of votes will be declared the winner by the Judges.
- The competitors will bow to each other, then to the Judging Panel, and leave the area.

HELSINKI – FINLAND

Helsinki, the capital of Finland, is a vibrant seaside city of beautiful islands and great green parks. The city's rhythm is laid back yet at the same time refreshingly active in terms of both the number and quality of restaurants and nightclubs.

The archipelago of Helsinki consists of around 330 islands, providing beautiful set-ups for days at the beach or weekend camping trips. Many of the islands, such as **Suomenlinna** and **Pihlajasaari**, can be reached by a regular ferry from early morning until late at night.

A third of Helsinki is covered in green areas. Along with a score of sports grounds, they offer great possibilities for outdoor activities and relaxation. The large **Central Park** and its forests spread out just outside the city centre.

SUOMENLINNA, THE FORTRESS ISLAND

The fortress of **Suomenlinna** is a UNESCO World Heritage Site and one of Finland's most popular sights. The beautiful islands of Suomenlinna are only a 15-minute ferry ride away from Helsinki Market Square. They offer a variety of atmospheres; whether you are looking for a cheerful weekend with friends, a tranquil evening stroll, picnic or perhaps a jog – it is all made possible by the diverse routes, locations, restaurants and cafés across the islands.

In Finnish Lapland a single summer day lasts for over two months. In the southern parts of the country it is never really dark either, just a period of twilight for a few hours. This is why we call Finland the **Land of the Midnight Sun**.
