## **Dear karate friends!**

Although it may not be in the foreground, karate is one of those sports which with its mass, results, and above all the diligence and enthusiasm of the staff, competitors and supporters, enters the top of the sport lists. When we count the number of competitions held throughout the year in Čakovec and the medals and trophies that our karatists are winning at home and abroad – with the full right we can say that Čakovec is a karate city.

Last year, jubilee 20th Međimurje Open Čakovec, showed us that Karate club Globus can successfully organize great competitions. This international competition opened a new chapter in not only the club's development, but also the karate as a whole. I do not doubt that this year's competition will be even better and with even more competitors, and that guests will leave from our town satisfied and full of positive impressions.

Competitions like this contribute to the popularization of sports in young people, and the creation of healthy habits in childhood and youth is a guarantee that new generations will one day be productive and healthy members of our society. This is also the main reason for our increased investment in sports, and also unreserved support for all those who work in sport in Čakovec. Čakovec is the true city of sport, and the contribution of karate is enormous.

To all contestants of the 21st Međimurje Open, city of Čakovec wants lots of luck and sport success.

Mayor of Čakovec,

**Stjepan Kovač**

## WELCOME TO ČAKOVEC!

**Čakovec** is a city in northern Croatia and county seat of Međimurje, which is located between the rivers of Mura and Drava. Čakovec is administrative, economic and cultural center of the county.

The city's population is 17 000 and the same number of people live in the surrounding locations (Ivanovec, Krištanovec, Kuršanec, Mačkovec, Mihovljan, Novo Selo na Dravi, Novo Selo Rok, Savska Ves, Slemenice, Šandorovec, Štefanec, Totovec, Žiškovec) which also belong to city's administration.
