Karate FOUNDATION FOR CHILDREN

KARATE FOUNDATION FOR CHILDREN is a non-profit Charity Organization It focuses on programs that empower children through community projects and equip them with social, academic and sport skills they will need to excel in life.

KARATE FOUNDATION FOR CHILDREN considers karate, a self-defense sport , as a vital tool in accomplishing our goals .

It has a unique ability to transcend social barriers, bring poor children together, and inspire them to participate in international tournaments in order to achieve success.

Our vision is the following , supporting underprivileged children all around the world and helping federations, clubs, dojos and small groups to acquire more karate skills and train with great world champions.

We are going to plan and execute a lot of programs to help poor children be strong. We believe it is utterly important to give our attention as a global community to children who have suffered from great hardships in their early lives .

Tbilisi

The city that loves you

Tbilisi is the capital and the largest city of Georgia, lying on the banks of the Kura River with a population of approximately 1.5 million people.

Founded in the 5th century AD by Vakhtang I Gorgasali, the monarch of the Kingdom of Iberia, Tbilisi since served as the capital of various Georgian kingdoms and republics. Between 1801 and 1917, then being under the rule of the former Russian Empire, Tbilisi was the seat of the Imperial Viceroy, governing both Southern and Northern Caucasus.

Because of its location on the crossroads between Europe and Asia, and its proximity to lucrative east-west trade routes, throughout history Tbilisi was a point of contention between various global powers. The city's location to this day ensures its position as an important transit route for various energy and trade projects.

Tbilisi's diverse history is reflected in its architecture, which is a mix of medieval, neoclassical, Beaux Arts, Art Nouveau, Stalinist and Modern structures.

Historically, Tbilisi has been home to people of multiple cultural, ethnic, and religious backgrounds, though it is currently overwhelmingly Eastern Orthodox Christian. Its notable tourist destinations include cathedrals Sameba and Sioni, Freedom Square, Rustaveli Avenue and Agmashenebeli Avenue, medieval Narikala Fortress, pseudo-Moorish Opera Theater, and the Georgian National Museum.
