

9th Basel Open Masters 2018

International Karate Tournament – 1st & 2nd September 2018

Dear friends of karate

It's my great pleasure to welcome all participants of the **9th Basel Open Masters** Tournament here in Switzerland.

The Basel Open Masters stands for years for great competitions with international top athletes. This year the winners will not only be awarded with trophies and titles, but in the Kumite Masters category also with a cash award. Attractiveness for athletes and spectators – that is why we organize the **Basel Open Masters!**

Karate is not just competition. Karate is much more an art and philosophy, for some people, a way of life. For Karate we sacrifice much leisure time and we often travel long distances. At the competitions we do not meet opponents, but people with similar ideals, behaviour and understanding.

We particularly appreciate the mix of professionalism, friendship and competition in Karate. Karate connects all people and generations, regardless of race, religion, social and political status.

With this attitude in mind, we want to put our skills to the success of the 9th Basel Open Masters.

I'm looking forward to an interesting, exciting and fair competition.

Kind regards,

Zübeyir Sahin
